HYBRID

WITH TRIGON®
CORE
TECHNOLOGY

Hybrid flooring can withstand the harshest of Australian climatic heat, cold and water, making it ideal for use right across the country. With Trigon® core technology, Godfrey Hirst hybrid floors display astonishing stability in the most extreme climates, handling rapid temperature changes with minimal expansion and contraction.

We built a custom hybrid structure and exposed it to a variety of extreme conditions, from icy snow to flowing rivers and arid lands. Follow the journey at www.godfreyhirst.com

*The next
generation
in high
performance
flooring.*

Withstanding the heaviest foot traffic at home or in commercial areas, Godfrey Hirst hybrid floors are waterproof[^], and can be wet mopped and installed in wet areas for a seamless look throughout your interior.

[^]subject to proper installation and maintenance.

ARTEMIS

Inspired by the natural elements, Artemis brings the essence and depth of the wilderness into your home, intertwining the look and feel of natural timber with the best technical attributes of laminate and vinyl. Available in a range of alluring colours, the hunt for timeless, elegant flooring for every room in your home is finally over. Artemis hybrid flooring will thrive in all areas of your home - even wet areas such as bathrooms and laundries - to seamlessly connect every room.

Hybrid floors are waterproof and can be installed in wet areas for a seamless look throughout your interior.

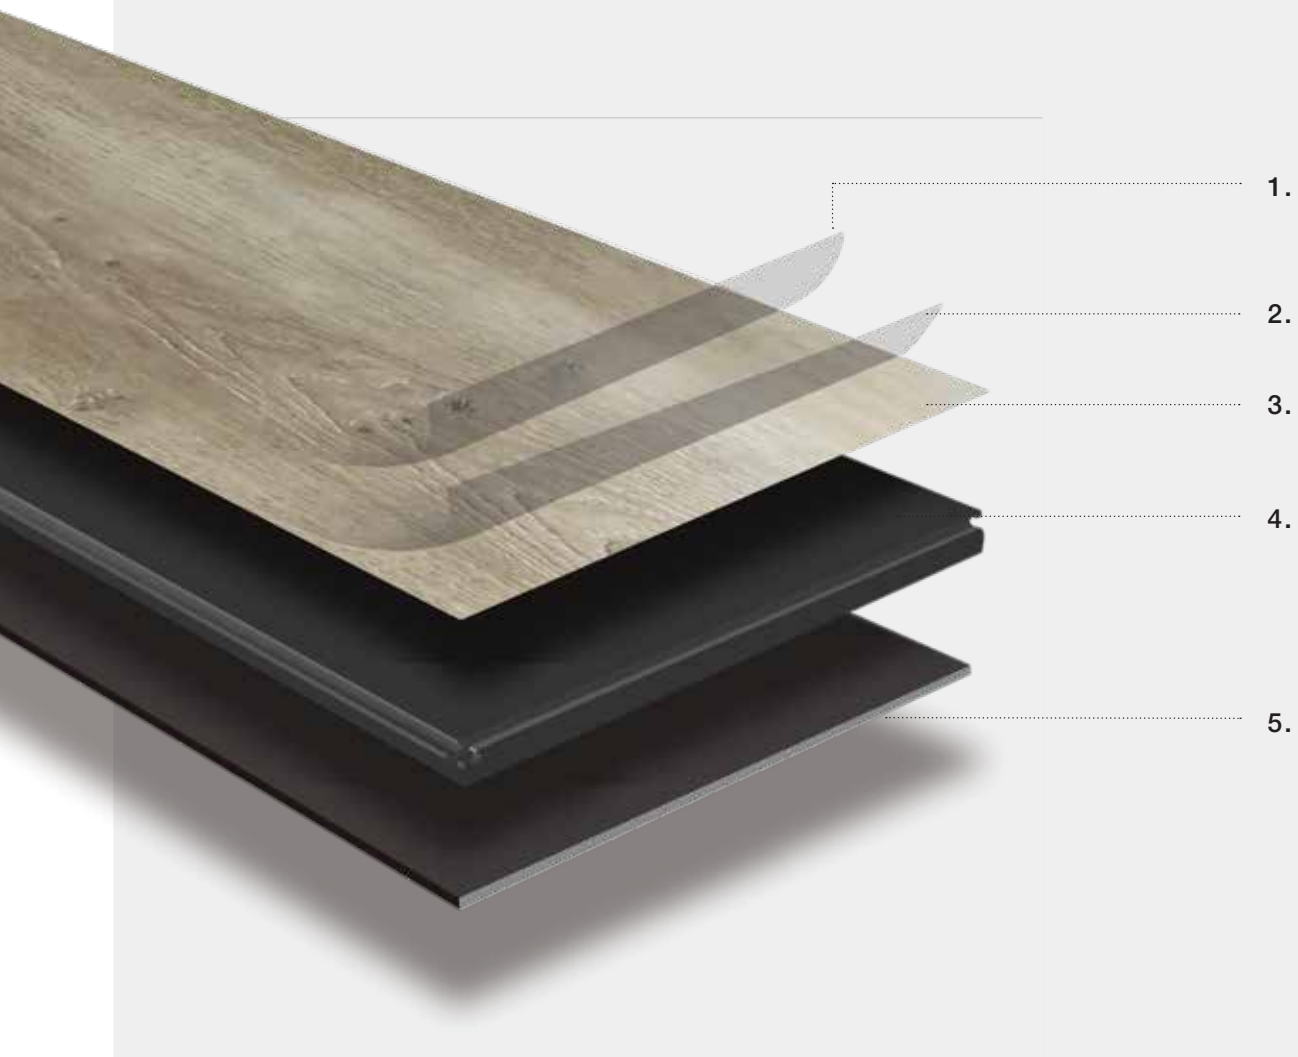

FEATURES & BENEFITS

Godfrey Hirst hybrid floors are available in a unique range of profiles, surfaces and finishes. Look for these feature icons on product samples instore and online:

Profile	Feature	Benefit
	Micro Bevel Edges	Micro bevel edges create a small V-shape between each board for an authentic look.
	Trigon® Core	Limestone composite core board with up to 80% limestone and 20% vinyl powder. Resulting in a stable core that has minimal expansion and contraction.
Finish	Feature	Benefit
	Matte Finish	Boards with a matte finish accentuates the natural look and feel of timber.
	Embossed	Textured embossing on the surface for an authentic timber woodgrain look.
	Waterproof	Waterproof product that can be used throughout your home, including wet areas, for a seamless look. (Subject to proper installation and maintenance).

C O N S T R U C T I O N

1. PUR surface treatment provides additional scuff and stain resistance, making cleaning a breeze.
2. PVC Wear layer provides a hard wearing surface with high impact resistance.
3. The decorative layer replicates the look of an authentic hardwood floor.
4. Trigon® core technology features a limestone composite core board that is waterproof[^], heat resistant and stable in extreme temperatures.
5. A pre-adhered acoustic backing delivers improved acoustics and comfort underfoot as well as decreasing installation costs.

commercial areas.*

NOTES

The class rating represents impact and stain resistance as well as the effects of furniture legs, castors, and other performance indicators. It is divided into Residential and Commercial. If the product is commercially rated, it will perform even better in your residential home.

First digit indicates the rating: **2 = Residential** **3 = Commercial**

Second digit indicates traffic intensity level: **1 = Moderate** **2 = General** **3 = Heavy**

Class Ratings	Class	About
	2 Residential - 1 Moderate Traffic	Suitable for: bedrooms or guest rooms
	2 Residential - 2 General Traffic	Suitable for: bedrooms, living rooms, dining rooms
	2 Residential - 3 Heavy Traffic	Suitable for: bedrooms, living rooms, dining rooms, kitchens and hallways. Including: bathrooms, toilets and laundries^
	3 Commercial - 1 Moderate Traffic	Suitable for: hotel rooms or small office
	3 Commercial - 2 General Traffic	Suitable for: office, boutiques or cafés
	3 Commercial - 3 Heavy Traffic	Suitable for: public buildings or busy retail spaces
	3 Commercial - 4 Very Heavy Traffic	Suitable for: supermarket breakouts or department stores

^asubject to proper installation and maintenance.
